**Abu Dhabi, UAE, 26 July 2024:** Aldar Properties ('Aldar'), announced today the launch of The Arthouse, an exclusive residential community that draws inspiration from private members' clubs around the world to deliver like-minded residents purposely designed spaces that inspire.

From the rich architectural details to the multifaceted interiors designed by the award-winning DiLeonardo, The Arthouse is a "gallery for living", uniquely designed for creative pursuits and those with a discerning taste for arts and culture. For here, a unique collection of vibrant spaces, including an art studio, gallery, and creative rooftop majlis, form the pulse of the community, encouraging residents to collaborate, co-create, and connect in Abu Dhabi's most sought-after neighbourhood.

Aptly located in the heart of Saadiyat Cultural District – a global destination created to nurture intercultural exchanges in Abu Dhabi – The Arthouse overlooks Guggenheim Abu Dhabi and is surrounded by renowned cultural institutions such as Louvre Abu Dhabi, Zayed National Museum, The Natural History Museum Abu Dhabi, and TeamLab Phenomena.

The Arthouse comprises three buildings, featuring spacious one-, two-, two- plus, and three-bedroom apartments, and two sky villas, all with premium branded kitchens and wardrobes. Top-end amenities include exclusive social spaces for residents, such as a cinema, a core studio with specialised rooms for yoga and Pilates classes, a tennis court, and a co-working space, as well as an indoor gym, and a children's playroom.

The Arthouse is also Aldar's first residential development in Saadiyat Cultural District that features a spectacular rooftop setting with pools and a garden, offering residents breathtaking views of the surrounding architectural masterpieces and the Arabian Gulf's glistening turquoise waters.

Residents of The Arthouse will experience the best of Saadiyat Island with direct access to upscale retail and leisure experiences at Saadiyat Grove, beachfront dining at Mamsha Al Saadiyat, the pristine Soul Beach, and world-class educational institutions, such as Cranleigh Abu Dhabi, Berklee Abu Dhabi, and New York University Abu Dhabi.

In line with Aldar's aim to promote sustainable living and building practices, The Arthouse is targeting a 3 Pearl Estidama rating, incorporating sustainable design elements that enhance energy efficiency and reduce water usage throughout the development's design, build, and living phases, ultimately reducing the carbon footprint for residents. The Arthouse is also aiming for a 2-star rating from Fitwel – the world's leading certification system committed to building healthy communities. Construction of The Arthouse is due to begin in Q1 2025.

Sales of units will launch on 31 July for all nationalities. Interested buyers can visit Aldar's Sales Centre at Aldar Square or reach out via email at [customermanagement@aldar.com](mailto:customermanagement@aldar.com) or call 800-ALDAR (800-25327).
