Message from your Community Management

Dear Valued Residents,

We promise value to all our community members. What we do reflects what we value, and below are our 8 commitments to you and all the community members:

Team: I pledge to be a positive team player, with positive attitude and actions, and recognize every member that makes contributions to the community.

Offer: I pledge to offer my support, mentor and be mentored, and provide guidance with constructive feedback.

Govern: I pledge to commit to Ethical Practices and Good Governance as a Manager of the Association.

Empower: I pledge to empower, uphold and be kind to all my community members, colleagues, regardless of their race, ethnicity, age, gender, religion.

Take Action: I pledge to report violence including harassment and bullying.

Help: I pledge to treat all members of the community with dignity, respect and compassion; value and manner. And help build a great community environment for all.

Express: I pledge to acknowledge that each individual is free to express their opinions, ideas and be a good listener.

Respect: I pledge to amplify and respect the values of diversity, equity and inclusion across my professional life.

Sincerely,

Yas Acres Community Management

Community Events

We at Aldar understand the importance of events as it helps bring the entire community together. It brings people from all walks of life together, strengthening the bonds between them. It is also a known fact that events have direct and indirect impacts on the well-being of the communities.

Upcoming Events Calendar

- Aldar Community Carnival
- Aldar Communities Pink Run
- Halloween Event
- UAE National Day Celebrations
- Aldar Santa Run
- Basketball Tournament
- Tennis Tournament
- Football Tournament
- Paddle Tournament
- Christmas Celebrations

Please note that the event dates are subject to change.

Events

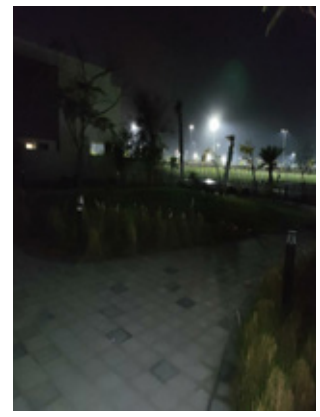

Annual General Assembly Webinar of Yas Acres Owners Association

The Yas Acres Annual General Assembly was held last 19th of March 2023 through Zoom. The meeting was beneficial for all owners to understand various updates and the status of community related projects.

We would like to thank in advance the members for volunteering to serve on the Interim Board of the Yas Acres Interim Owners Association and wish them all the best.

Earth Hour

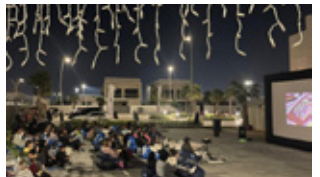

Provis conserved over 8,800 kWh of electricity, equivalent to reducing nearly 4,000 kg of CO₂ during Earth Hour 2023. Last 25th March 2023, in celebration of Earth Hour, non-essential lights were switched off for one hour between 08:30 and 09:30 P.M in 65 Provis managed residential communities and five retail destinations.

Kids Safety Awareness Campaign

On March 10th, 2023, Provis, in collaboration with Crisis Prevention Institute, organised a Kids Safety Awareness Campaign at the Westin Abu Dhabi. The event was attended by 62 people, including 28 adults and 34 children from Al Muneera, Al Raha Gardens, Al Zeina, and Yas Acres communities. The campaign aimed to promote child safety and educate parents and children on various safety topics.

Provis is committed to providing a safe and secure environment for its residents, and the Kids Safety Awareness Campaign is a testament to the company's dedication to fulfilling this commitment. The event was a great success, and Provis plans to organise similar initiatives in the future to promote child safety and create a safer community for all.

Sustainability Corner

26th UAE National Environment Day

Provis, Aldar, and Environment Friends & Society Plant 3000 Mangrove Trees in Al Gurm Community to Celebrate National Environment Day. On the 26th National Environment Day, Provis, in collaboration with Aldar and Environment Friends & Society, took a big step towards environmental sustainability by planting 3000 mangrove trees in the Al Gurm community. These trees were provided by Nature, and the initiative aims to support the environment and enhance biodiversity in the area.

The event saw over 80 volunteers and representatives from various organisation, including Sheikh Zayed Bin Sultan Bin Khalifa Al Nahyan organisations, the Ministry of Foreign Affairs, Abu Dhabi Municipality, Department of Economic Development, Abu Dhabi Police, Tadweer, Aldar Properties, Environment Friends Society, Parsons, Nature, Zayed Higher Organisation for People of Determination, Ministry of Climate Change & Environment, Saint Anthony Cathedral Abu Dhabi, and VPS Holding Group - Burjeel Hospital, come together to plant more than 3,000 mangrove trees.

Mangrove trees are a valuable component of the coastal ecosystem, providing various benefits such as stabilizing coastlines, filtering pollutants, providing a habitat for marine life, and helping to mitigate climate change. The planting of these trees is a vital contribution towards preserving the natural environment and maintaining the balance of the ecosystem.

Provis and Aldar are both committed to reducing their carbon footprint and implementing sustainable practices in their operations. As part of Aldar's Net Zero Plan, Provis is dedicated to decarbonization and reducing its emissions. The planting of mangrove trees aligns with these commitments and serves as a practical example of their efforts towards environmental sustainability.

Sustainability Corner

Reduce & Reuse Drive

We hosted our second annual Reduce, Reuse, and Recycle clothing initiative in Yas Acres and Al Bandar communities to reduce production and encourage reuse of clothing in turn help with environmental impact.

Thank you to our partners, Red Crescent, Environment Friends Society, General Authority for Endowments and Islamic Affairs, St. Anthony Cathedral, Abu Dhabi Municipality, Ministry of Climate Change and Environment, Integrated Transport Center, Emirates Education Foundation, Canadian Veterinary Clinic, and Twitter Gallery Beauty Birds for this successful initiative.

Sustainability Corner

Bridges of Giving Initiative with Red Crescent

In the wake of the recent earthquakes in Syria and Turkey, the Aldar communities from Abu Dhabi came together to make a difference. Led by Aldar and Provis, a donation drive was organized to raise funds and collect supplies for those affected by the disasters.

The response from the community was overwhelming, with both Abu Dhabi & Dubai communities gathering 987 boxes collectively. These boxes contained essential items such as food, water, and medical supplies, as well as warm clothing and blankets to help those who have lost their homes and possessions.

We would like to extend our heartfelt thanks to everyone who contributed to this initiative.

Keys to Wellness & Community Energizers

Wellness involves committing to a healthy body and mind. By adopting simple practices, such as getting adequate sleep, staying physically active, consuming nutritious foods, and managing stress, you can improve your emotional health, mood, and overall well-being. These practices can help you feel better, enhance your state of mind, and achieve your potential.

On March 11, 2023, in partnership with Aldar and NBA, we invited residents of Saadiyat Island between the ages of 10-15 for a youth basketball clinic. This clinic focused on teaching the game of basketball, promoting health and wellness, and empowering the next generation of players.

During the same weekend, we offered free family tickets to our active community football team to attend and watch ADNOC Pro League – Al Jazira vs. Shabab Al Ahli.

Community Fitness & Lifestyle

To support our residents with leading a healthy and active lifestyle, we offer a wide range of health and fitness classes provided through expert coaches and professionals, designed to suit every member of the family and all fitness levels.

Community Updates

As part of our ongoing community maintenance and enhancements works, we are pleased to share with you the completed refurbishment works across the communities:

Supply of new equipment in all gyms

Landscaping enhancements

Opening of Padel Courts in Cedars

Modification of Gatehouse glass pane to tinted sliding windows

Replacement of damaged bollards in several locations

Aunt Tina's Pick

ANTONIA

Aunt Tina's pick for the month is a heartwarming meal at Antonia's Restaurant, located next to Plot 3 at Mamsha Al Saadiyat – just follow the tantalizing aroma of freshly fired crust.

Started my meal with a freshly fired Pancetta e Patate pizza slice. A brilliant mix of potato and scamorza cheese layered on top of a beautifully finished crispy yet soft and airy interior crust. The pizza dough is baked with Grandma Antonia's signature sourdough – passed down through generations of Italian households to meet your taste buds at Mamsha Al Saadiyat today.

After devouring one or four of Antonia's perfected slices, trying one of the many authentic Sardinian pasta dishes is a must. My personal recommendation is the Fregola pasta, served with a symphony of fresh seafood.

A meal at Antonia's is not complete without their deliciously creamy Tiramisu – perfect for sharing.

All of this is served with love by friendly staff that makes you feel that you are dining with your loving family.

Wishing you all many more **"YUMS"** to come.

Sincerely,
Your Favorite Aunt Tina

Exclusive Discounts & Offers

We work closely with a wide variety of brands to provide our residents with exclusive rates and discounts. Our main objective is to ensure that all Aldar residents enjoy access to the city's most popular attractions, and benefit from great deals with the best brands.
